

CERTIFICATED EMPLOYEE ASSIGNMENT/DUTIES/RESPONSIBILITIES

Determining the assignment of each certificated employee is the responsibility of and within the discretion of the building principal. In making such assignments the building principal shall consider the qualifications of each certificated employee and the needs of the school district. Appeals may be made on assignments through proper line of authority.

Teachers will be required to attend any professional meeting for which school is dismissed or any meeting, which the administration may designate.

Teachers will directly supervise classes and activities. The responsibility can never be delegated or abrogated without the building principal's permission.
