

CERTIFICATED EMPLOYEE CONTRACT RELEASE

A request for release from a contract shall be contingent upon finding a suitable replacement.

The Superintendent or his designee shall have the sole responsibility for determining the criteria used to define a suitable replacement for each position.

If in the opinion of the certificated employee unusual circumstances exist, the certificated employee may appeal to the Board to request a release from a contract.

The superintendent is authorized to file a complaint with the Nebraska Professional Practices Commission against a certificated employee who leaves without proper release from the board.

The Board of Education reserves the right to seek damages against any certificated employee as a result of breach of contract.
