

EXCHANGE AND FOREIGN STUDENT ADMISSIONS

Foreign exchange students must reside in the district or must apply for enrollment under provisions of the enrollment option statutes.

Parents or patrons considering the sponsorship of a student should seek approval prior to accepting the student. Administrative approval is based on :

1. Available space
2. Only two tuition waivers per semester are available for foreign exchange students
3. First-come-first-serve basis as necessary

No foreign exchange student will be enrolled in the district until the foreign exchange student has provided the district with all records and information requested by the district. Foreign exchange students must also comply with any health requirements imposed by state or other governing laws and according to district policies.

Foreign exchange students must not have graduated from high school (or an equivalent educational institution) prior to enrollment in the district.

Foreign exchange students completing twelfth grade in the district will be provided with an honorary diploma. If a foreign exchange student wishes to receive a District High School Diploma, the student must make application to the school principal at the time of enrollment, and must successfully complete district graduation requirements.
