

## STUDENT ACTIVITIES FUND

The student activities funds of each school will include athletic and student organization funds and any other funds belonging to any student or class group or activity.

Student activity funds are those funds raised or collected by and/or for school-approved student groups, and may include gate receipts and student activity card fees. Student activity funds will be collected and expended for the purpose of supporting the school's extracurricular activities program. Student body representation should be encouraged whenever possible.

Monies raised by students through student body organizations, receipts from activity tickets and gate receipts, are subject to the control and management by the school board.

Any unencumbered class or activity funds will automatically revert to the general activity fund of the school when a class graduates or an activity is discontinued.

The district treasurer, or designee, may request all necessary financial information needed for review or required by the school board. These funds shall be examined annually as part of the district audit.
