

SCHOOL VOLUNTEERS

Citizens who voluntarily contribute their time and talents to the improvement and enrichment of the public schools' instructional and other programs are valuable assets. The board encourages constructive participation of groups and individuals in the school to perform appropriate tasks during and after school hours under the direction and supervision of professional personnel.

The administration is responsible for the recruitment, use, coordination and training of volunteers. These assignments will be carried out as directed or delegated by the superintendent. Every effort should be made to use volunteer resources in a manner which will ensure maximum contribution to the welfare and educational growth of students.
