Blackboard Connect 5 . district mass communication system will call primary and emergency phone numbers. *If you do not wish to be notified by Blackboard Connect, please let the office know.*

It may become necessary to dismiss classes during the school day because of bad weather. In such an event, it is important that parents/guardians provide ahead of time to the school, the procedures the child should follow (i.e., go home with a specific friend, go to a relative's home, babysitter's, etc.). Emergency message will go out through Blackboard Connect 5 prior to dismissal.

Parents may decide to keep their children home during inclement weather. Students absent due to severe weather when school is in session will be marked absent. The absence will be treated like any other absence. Parents may pick up their children during inclement weather at any time during the school day.

Telephone Calls/Daily Announcements

Parents are encouraged to call the school with questions, concerns and suggestions. While it is not always possible to visit a teacher or administrator at that time, your phone call will be returned as soon as possible or you may schedule an after school appointment. Parents can contact the school using the following directory:

Wakefield Elementary 802 Highland Street 287-9892

Wakefield High 802 Highland Street 287-2012

Administrative Offices 802 Highland Street 287-2012

Parents/guardians who have an emergency message for their student or sponsors of various groups that wish to have an announcement should contact the school secretary before 2:45p.m. to allow adequate time for the message to be announced or delivered before the end of the school day.

The school telephones are for school business only. Students may use the phone only in case of an emergency (this does not include calling parents for forgotten items) or to notify parents if they must remain at school beyond the regular school day. Other plans or arrangements should be made at home by the student and parents/guardians prior to the school day. Students may use their cell phones with classroom teacher permission, during passing times and lunch time in accordance with board policy.

Student Illness

Students who become ill at school will be sent to the building office where the school nurse or other school employee will determine the appropriate response. When a child is too ill to remain at school, a school employee will contact the child's parent(s) and make arrangements for the child to be picked up or sent home. If an illness or injury requires immediate medical attention, school officials shall attempt to contact the child's parent(s) regarding treatment for the child.

If the parents cannot be contacted, school officials may have the child treated by an available physician. Students who show symptoms of a contagious disease may be sent home, and the district may require a physician's statement before allowing such students to return to school.

Parents must complete an emergency information card for each child enrolled in the district. The card should list the family physician's name, where parents or responsible adult can be located, and any necessary emergency instructions. (Board Policy 5023)

If a child is well enough to come to school, the child is well enough to participate in the daily school program (including recess and P.E.). A school official may grant short-term non-participation (one to two days) if requested by parents. The building principal reserves the right to require a written excuse for non-participation at any time it appears warranted.

School Visits

Parents/guardians are encouraged to visit school. Please check with the building principal regarding the best time to visit. We request that parents not plan visits during the first two weeks or the last two weeks of school.

All parents and visitors must buzz in (between 8:20 a.m. and 3:30 p.m.) and enter and exit the building through the main doors during school hours. Before visiting a classroom, permission must be given through the school office. Visitors will be asked to sign in and will receive an identification tag, which they are required to wear throughout their time in the school building. Visitors must sign out in the office prior to leaving.

Brothers and sisters are permitted to visit if accompanied by parents, but we ask that they do not attend parties or field trips. Relatives or friends from other schools who wish to visit may do so for a period of time not to exceed 1/2 day. These visitors are to have advance approval from classroom teachers and the building principal.

If a child wishes to bring a pet to school for show and share time, he/she must ask the homeroom teacher for permission. An adult must accompany the child and pet to school, and the pet must be returned home immediately after sharing time. Animals may not be left at school all day.

Parental Involvement

The school district recognizes the importance of parental involvement in the education of their children. To ensure such rights, parents will be:

1. Provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district.
 - a. A parental request to review specific approved textbooks and other district- or building-approved curricular materials (written, visual, and audio) should be made to the principal of the building where the textbooks and curriculum materials are used. Parents may check out textbooks and may review curricular materials such as video and audio recordings within a time frame determined by the building principal to prevent disruption of the instructional process. A parental request to review specific standardized and criterion-referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. In the case of secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.
2. Permitted, within district procedures, to attend and observe courses, assemblies, counseling sessions, and other instructional activities.

- a. Parents are invited to make appointments with the building principal to visit classes, assemblies and other instructional activities. The principal shall give permission after determining that parental observation would not disrupt the activity.
- b. Parents may request permission to attend counseling sessions in which their child is involved.
3. Permitted, within district procedures, to ask that their children be excused from testing, classroom instruction, surveys and other school experiences that parents find objectionable.
 - a. Building principals will excuse a student from any single school experience at the parent's written request.
 - b. When appropriate, alternative experiences will be provided for the student by the school.
4. Informed through the student handbook of the manner that the district will provide access to records of students.
5. Informed of the standardized and criterion-referenced district testing program. Parents may request additional information from the building principal.
6. Notified of their right to remove their children from surveys prior to district participation in surveys.
 - a. The principal must approve all surveys intended to gather information from students before they are administered to students.
 - b. Students' participation in surveys is voluntary. Parents may restrict their child from participating in any survey. (Board Policy 5018)

Title I Parent Involvement Policy (District & School Building Combined)

The school district will jointly develop with parents a School-Parent-Student Compact that outlines shared responsibility for improved student academic achievement.

The school district recognizes the unique needs of students who are being served in its Title I program, and the importance of parental involvement in the Title I program. Parental Involvement in the Title I Program shall include, but is not limited to:

1. An annual meeting to which all parents of participating children will be invited. Invitations may take the form of notes sent with students or announcements in the school newsletter. Additional meetings may be scheduled, based upon need and interest for such meetings.
2. An explanation of the details for the child's and parents' participation, including but not limited to: curriculum objectives, type and extent of participation, parental input in educational decisions, coordination and integration with other district programs, and evaluations of progress. This information may be included in the annual Title I Individual Education Plan (IEP) for the student.
3. Opportunities for parent involvement activities, such as training on ways to support children's learning. This opportunity may include, but is not limited to, attendance at the annual Nebraska State Title I Parent Involvement Conference. The goal of these parent activities is to provide parents with opportunities to participate in decisions relating to the education of their students, where appropriate.
4. The district will, to the extent practicable, provide parents of limited English proficiency, parents with disabilities, and parents of migratory children with opportunities for

involvement in the Title I Program. Communication to parents about student progress and the district's other Title I Program communications will be provided in the language used in the home to the extent practicable. Responses to parent concerns will be provided in a timely manner.

5. Opportunities for parent-teacher conferences, in addition to those regularly scheduled by the school district, if requested by the parents or as deemed necessary by school district staff.
6. The district will coordinate and integrate parental involvement programs and activities with other programs in the community. These may include cooperation with other community programs such as Head Start and preschools and other community services such as the public library.
 - A. This policy shall be reviewed annually at the annual meeting where concerned parties can have a conversation about possible changes to the Parental Involvement Policy, and the Board will either (1) alter the policy and adopt it as altered, or (2) reaffirm the policy, following a public hearing.

Communication

Effective communication between home and school is crucial to students' educational success. Both teachers and parents must work to communicate frequently about students' progress. Methods of communication include, but are not limited to, the school website, parent-teacher conferences, e-mail, telephone contact, school visitation by parents and home visitation by teachers. Teachers must notify parents about unsatisfactory student work promptly and prior to the end of a grading period.

The school calendar will provide opportunities for formal parent-teacher conferences. The conferences need not be limited to these days; they should be scheduled at times that will allow adequate time for an effective conference. (Board Policy 6019)

Admission of Students

Students shall be admitted to the school district who are:

- legal residents of the school district or otherwise entitled by Nebraska law to attend the schools of the district tuition-free;
- approved for option enrollment pursuant to policy;
- approved as a foreign exchange student pursuant to policy; or
- legal residents of a district that has contracted with this district for their educational services.
- statutorily entitled to attend the schools of the district on a part-time basis pursuant to policy 5002.1.
- out-of-state students who have been enrolled pursuant to policy 5002.2.

Students who seek to enroll in the district must comply with each board policy, state statute and regulation that applies to their situation. Grade level placement will be determined in accordance with district policy. (Board Policy 5002)

Attendance

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when temporary illness or severe weather conditions make attendance impossible or impracticable.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request and to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend a non-accredited school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending non-accredited schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee. (Board Policy 5001)

Tardies/Absences

Students absent or planning on leaving school early must submit a note from parent/guardian stating reason for absence. Students arriving after the scheduled start time will be considered tardy. A meeting will be scheduled with the building principal to discuss solutions for students with excessive tardies.

Students (in grades 7-12) are allowed 7 absences per semester, per class period. If a student's absences go over the 7-absence limit, he/she may lose credit for the class. Notification of this situation will be sent to the parent or guardian by mail. If there are extenuating circumstances, the parent must submit a letter to the principal or guidance counselor with an explanation of the extenuating circumstance.

The accumulation of excessive amounts of tardies for any class per semester may be counted as absences.

Parents/guardians must notify the school by note or telephone before 8:10 a.m. of a student's absence or tardiness. If the school is not notified, a call will be made to the parent/guardian to determine the child's whereabouts and safety. For parent convenience, voice mail will take calls prior to 7:45 a.m.

Excused Absences

The following absences will be considered excused if they are confirmed by communication to the school from the student's parent/guardian:

1. Physical or mental illness of the student (a physician's verification is required after three (3) consecutive days of absence for illness)
2. Medical appointments for the student with a doctor's note
3. Death or serious illness of the student's family member with a note from parent/guardian
4. Appearance at court or for other legal matters with a court note.

Excessive Absenteeism

When a student receives 7 unexcused absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student's attendance.

When a student is absent more than twenty days per year or the hourly equivalent and any portion of the absences is unexcused, the Attendance Officer may file a report with the county attorney of the county in which the student resides. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the Attendance Officer may file a report with the appropriate county attorney. (Board Policy 5001)

Family Vacations

Parents/guardians should notify the school at least one week in advance of family vacations planned during the school year. Students are responsible for getting and completing all work missed during the vacation. Absences due to vacations will count toward the absence limitations specified under Student Attendance. Families are encouraged to use scheduled school breaks for vacations whenever possible.

School Attendance on Days of Scheduled Activities

Students must attend all regularly scheduled classes on the day they participate in any student activity. Exceptions may be given by the school administration for pre-approved absences due to but not limited to funerals, verified medical appointments, and college visits. (Board Policy 6014)

Leaving School during the School Day

Students who must leave school for any reason during the school day must check out at the office. A sign-out sheet is available for this purpose. Students are only released to leave with permission from a parent or parent designee. When students return to school they are expected to sign back in. All school absence notes must be turned into the office.

Make-Up Work

Classroom work and assignments missed during an absence, regardless of the type of absence, must be made up unless special arrangements are made with the appropriate teacher(s). Students are responsible for obtaining make-up work and parents and siblings may make arrangements to pick up assignments, books or other materials by contacting the school office.

Homework

Homework consists of assignments made by teachers that students must complete during non-class time. Homework is intended to reinforce student learning of certain previously taught concepts and/or skills found in the written and taught curriculum.

Teachers are encouraged to assign homework and must use their professional judgment in determining the length, difficulty, and student readiness to proceed with homework assignments. Homework assignments shall be kept minimal on Wednesday nights, which is traditionally considered family night in the community. (Board Policy 6017)

Meals

A 7:30 a.m. breakfast program is also offered at Wakefield Community School for those students wishing to participate.

A hot lunch program is available at school. Children are expected to abide by the district rules while at lunch. Lunchroom privileges may be denied if students do not follow the school rules.

Closed Campus

The school campus is a closed campus. All students shall remain on the school campus during the hours that school is in session unless released by the building principal or building principal's designee. The building principal or designee will release a student only upon confirming that the student has permission from a parent or an authorized adult. Nothing in this policy shall prevent the school from sending a student home when the student is ill.

Student Fees

The school district shall provide free instruction in accordance with the Nebraska State Constitution and the Nebraska statutes. The district also provides activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction. Under the Public Elementary and Secondary Student Fee Authorization Act, the district is permitted to charge students fees for these activities or to require students to provide specialized equipment and attire for certain purposes. This policy is subject to further

interpretation or guidance by administrative or board regulations. Students are encouraged to contact their building administration, their teachers or their coaches, and sponsors for further specifics.

Student iPad Insurance

Students desiring to take school iPads home must purchase school insurance at a cost of \$50 per student, maximum of \$150 per family annually. The insurance will cover the cost of the first accident repair. Subsequent damage is the responsibility of the student as per the iPad handbook. Students electing to not take insurance will be allowed to check out their iPad daily through the technology lab. Time is provided before school, after school and during Trojan period to complete curricular assignments.

The student or the student's parents or guardian or both may be represented by legal counsel. The hearing examiner may exclude anyone from the hearing when his/her actions substantially disrupt an orderly hearing. The formal rules of evidence shall not apply at the hearing. The administrative representative shall present to the hearing officer statements, in affidavit form, of any person having information about the student's conduct and the student's records, but not unless such statements and records have been made available to the student, the student's parents, guardian or representative prior to the hearing. Any person giving evidence by written statement or in person at a hearing shall be given the same immunity from liability as a person testifying in a court case. A single hearing may be conducted for more than one student if in the discretion of the hearing examiner a single hearing is not likely to result in confusion or prejudice to the interest of any of the students involved. If during the conduct of such a hearing, the hearing examiner concludes that any of such student's interests will be substantially prejudiced by a group hearing, or that confusion is resulting, the hearing examiner may order a separate hearing for each or any of said students.
 7. **Availability of Witnesses.** The hearing officer will have the authority to subpoena any witnesses to the hearing and shall make reasonable efforts to assist in obtaining the attendance of any witnesses requested by the student, student's parents or guardian or their legal representative.

Such recommendation may range from no action, through the entire field of counseling, to long-term suspension, expulsion, or mandatory reassignment.

10. **Review by Superintendent.** The Superintendent of schools shall review the findings and recommendations of the hearing officer and in his/her discretion may also review any of the facts and evidence presented at the hearing and based upon such report and the facts shall determine the sanctions to be imposed. However, the Superintendent may not impose a more severe sanction than that imposed by the hearing officer.
11. **Notice of Determination.** Written notice of the findings and recommendations of the hearing officer and the Superintendent's determination shall be made by certified registered mail or by personal delivery to the student, the student's parents or guardian. 13. **Review by Board of Education.** Upon receipt of the request for review of the Superintendent's determination, the Board of Education or a committee of not less than three members shall, within ten school days, hold a hearing on the matter. Such hearing shall be made on the record except that the board may admit new or additional evidence to avoid substantial threat of unfairness. Such new evidence shall be recorded. The Board of Education or committee thereof may withdraw to deliberate privately upon the record and new evidence. Any such deliberation shall be held in the presence only of board members in attendance at the appeal proceeding, but may be held in the presence of legal counsel who has not previously acted as the administrative representative in presenting the school's case before the hearing officer. If any questions arise during such deliberations which require additional evidence, the Board of Education or committee thereof may require the hearing to receive such evidence, subject to the right of all parties to be present. A record of any such new or additional evidence shall be made and shall be considered as a part of the record and based upon the evidence presented at the hearing before the hearing officer, and such new or additional evidence, the Board of Education or the committee shall make a final disposition of the matter. The board may alter the Superintendent's disposition of the case if it finds his/her decision to be too severe, but it may not impose a more severe sanction. A designated method of giving notice by the Board of Education or committee thereof, if required, for any Board review shall be by posting on the schoolhouse door.
14. **Final Decision of Board of Education.** The final decision of board shall be delivered to the student and parents or legal guardian of the student by personally delivering the same or by mailing the same by certified or registered mail. (Board Policy 6024)

Emergency Exclusion

Grounds for Emergency Exclusion

Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

- (a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
- (b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion

In the event it is appropriate to consider the extension of an emergency exclusion (exclusion) of a student for more than five school days. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of exclusion beyond five days, such consideration shall be considered according to the procedures set forth below.

1. **Notification of Student's Parent(s) or Guardian(s).** The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing.
2. **Opportunity to Request a Hearing.** The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.
3. **Failure to Request a Hearing.** If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.
4. **Appointment and Qualifications of a Hearing Examiner.** If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.
5. **Hearing Examiner's Notice to Parent(s) or Guardian(s).** The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.
6. **Continued Exclusion.** If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.
7. **Examination of Student's Records and Affidavits.** Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and

- have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.
8. **Attendance at Hearing.** The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.
 9. **Student's Witness(es).** The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.
 10. **Right to Know Issues and Nature of Testimony.** The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.
 11. **Presence of Student and Witnesses at the Hearing.** The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify.
 12. **Sworn or Affirmed Testimony.** The principal or his or her designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.
 13. **Hearing Examiner's Report and Recommendations.** The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.
 14. **Superintendent's Decision.** The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. Recess/Outside Temperature Guidelines

Outside recesses are required throughout the year for all elementary students. They are expected to wear adequate clothing and boots for cold and wet weather. Please mark all

outdoor clothing for identification. Building administrators make the final decision as to whether students remain outside or in the building due to a variety of playground and weather conditions, including:

- When weather is raining or snowing heavily.
- When the temperature or chill factor is 0° F.
- When lightning or approaching storm is in the immediate area.

Parents may send a note to have a child remain inside at recess for one day if a child is returning from an illness or another related reason. A doctor's note is required for an extended (more than one day) indoor recess.

Bicycles

Bicycles may be ridden to and from school. Parents are responsible for student safety during those trips. Pupil Transportation

It is the goal of the school district to provide safe, comfortable and reliable transportation for bus-riding school children.

1. Emergency Procedures

A. Mechanical breakdown

In the event of a mechanical breakdown, the driver will:

1. Stop the bus in a safe location
2. Keep passengers in the bus, if it is safe to do so
3. Take steps to warn motorists, by activating hazard lights and placing emergency triangles
4. Radio or call for assistance

B. Injuries/Medical Emergencies

If a student is seriously injured or suffers from a medical emergency, the driver will stop the vehicle at the first safe opportunity. The bus driver will provide emergency medical assistance in accordance with the driver's first aid training. The bus driver will notify the school district of the emergency using the radio or other communication equipment. The district will then summon emergency medical services by immediately calling 911. If the bus driver cannot reach the district, the driver should send an adult or a responsible student to a telephone to call 911 and then the district.

C. Severe Weather

1. Tornados

If a driver determines that there is likelihood that a tornado will hit a vehicle, and there is not an escape route available or time to drive to a safe location, the driver will evacuate the bus, taking only the first aid kit. The driver will take the students to the basement of a nearby building or to the nearest depression or ditch upwind (toward the storm) of the vehicle far enough away from the vehicle so that the bus will not roll over on the students. The driver should instruct students to cover their heads with their arms. If the students are wearing coats or jackets, they can be used to provide additional protection for their heads and bodies. If there is no time to evacuate the students after stopping the vehicle, the driver should have the students remain in their seats and assume a protective position with their heads below window level.

2. Winter Weather

If the school district determines that a bus route is too dangerous to drive due to winter weather conditions, the district will cancel bus service on that route. This decision will be announced via local radio stations, Blackboard Connect and TV stations on the affected day.

Parents must ensure that students are appropriately dressed for winter conditions. Students shall not wait for a school bus in winter weather for more than 15 minutes past the scheduled pick-up time. If the bus has not arrived by that time, pupils are to return to their homes or to another place of shelter that the student and his or her parent have prearranged.

D. Weapons, Hazardous Substances and Dangerous Contraband

If a driver discovers that a passenger may have a weapon, hazardous substance or other dangerous contraband on the bus, he or she should remain calm and call for assistance. The driver should give the location of the bus to the dispatcher, continue the route and wait for assistance. The driver should not inform passengers of the presence of the weapon or other contraband.

E. Terroristic Threat

If a driver receives a terroristic threat that he or she deems credible, he or she will notify the school district of the threat using the radio or other communication equipment. After consulting with school officials, the driver will determine whether the threat requires evacuation of the bus. The school will promptly notify the authorities of the threat.

For purposes of this policy, a terroristic threat is a threat to commit any crime of violence or to burn or damage property with the purpose of terrorizing another or of causing the evacuation of the bus or in reckless disregard of causing such terror or inconvenience.

F. Emergency Incident Reports

Bus drivers will provide written documentation of any of the emergency events specified in this policy by completing the incident form attached hereto. This documentation must be submitted to the school administration within 24 hours of the event.

2. Drop-off

Drivers will drop students off at a location pre-determined through communication between the school district and parents/guardians. In the event the drop-off location is uncertain or appears to be unsafe, the driver will communicate with school staff in the building to seek additional guidance.

In no event will a driver drop a student off in a location which in the reasonable judgment of the driver appears to be unsafe. Drivers who believe the drop-off location to be unsafe shall release students directly into the custody of a parent/guardian or shall return students to their school building.

3. Evacuation of Students With Disabilities

The Transportation supervisor, in consultation with bus drivers and members of the administrative team, shall develop a written emergency evacuation plan for each bus route. The plan shall include an assessment of each student's ability to evacuate himself or herself as well as his or her ability to assist others. Disabled students should practice their evacuation skills as required of their non-disabled peers if possible during evacuation drills. Students or other individuals who will be assisting disabled students evacuate during emergencies should practice this skill during evacuation drills. Drivers or students who will be assisting with the evacuation process should be familiar with any equipment on the bus that would aid in the actual evacuation.

4. Student Behavior on School Vehicles

Riding the school bus or school vehicle is a privilege, not a right. Students must comply with the following rules and all school conduct rules and directives while riding in school vehicles. In addition, students must also comply with the student code of conduct while riding on the bus.

Rules of Conduct on School Vehicles:

1. Students must obey the driver promptly.
2. Students must wait in a safe place for the bus or school vehicle to arrive, clear of traffic and away from where the vehicle stops.

15. Students may not leave or board the vehicle at locations other than the assigned stops at home or school unless approved prior to departure by the superintendent or designee.
16. Video cameras may be placed on buses, at random, to monitor student behavior on the bus.

3. Consequences

Drivers must promptly report all student misconduct to the administration. These reports may be oral or written. Students who violate the Rules for Conduct will be referred to their building principal for discipline. Disciplinary consequences may include:

1. Note home to parents
2. Suspension of bus riding privileges
3. Exclusion from extracurricular activities
4. In-school suspension
5. Short term or long term suspension from school
6. Expulsion

These consequences are not progressive, and school officials have discretion to impose any listed punishment they deem appropriate, in accordance with state and federal law and board policy.

A. Records

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements, and the board encourages patrons and school staff to discuss their concerns with appropriate school personnel in an effort to resolve problems. When such efforts do not resolve matters satisfactorily, a complainant should follow the procedures set forth below:

1. The first step is for the complainant to speak directly to the person with whom he or she is dissatisfied, or to who is responsible for the practice or regulation with which he or she is dissatisfied. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher.
2. The second step is for the complainant to speak to the building principal, superintendent of schools, or president of the board of education, as set forth below.
 - a. Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b. Complaints about the operations of the school district or a building principal should be submitted to the superintendent of schools.
 - c. Complaints about the superintendent of schools should be submitted to the president of the board of education.
3. When a complainant submits a complaint to an administrator, the administrator shall:

- a. Determine whether the complainant has discussed the matter with the staff member involved.
 - 1. If the complainant has not, the administrator will urge the complainant to discuss the matter directly with that staff member.
 - 2. If the complainant refuses to discuss the matter with the staff member, the administrator shall, in his or her sole discretion, determine whether the complaint should be pursued further.
- b. Strongly encourage the complainant to reduce his or her concerns to writing.
- c. Interview the complainant to determine:
 - 1. All relevant details of the complaint;
 - 2. All witnesses and documents which the complainant believes support the complaint;
 - 3. The action or solution which the complainant seeks.
- d. Respond to the complainant.
- 4. A complainant who is not satisfied with the building principal's decision regarding a complaint may appeal the decision to the superintendent.
 - a. This appeal must be in writing.
 - b. The superintendent will investigate as he or she deems appropriate.

 - a. Determine whether the complainant has discussed the matter with the superintendent.
 - 1. If the complainant has not, the board president will urge the complainant to discuss the matter directly with the superintendent.
 - 2. If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - b. Strongly encourage the complainant to reduce his or her concerns to writing.
 - c. Determine, in his or her sole discretion, whether to refer the matter to the board of education for consideration at a regular or special meeting.
(Board Policy 2006)

Police Questioning Students

Police or other law enforcement officers may be called to the school at the request of school administration, or may initiate contact with the school in connection with a criminal investigation. The school district shall not allow law enforcement officers access to students to conduct an investigation during school hours unless the officers are investigating charges that the student has been the victim of abuse or neglect. Contact between the school and law enforcement authorities on matters involving students shall be made through the office of the superintendent or principal and the law enforcement officer.

Law enforcement officers may talk to a student away from the school before or after school hours, and they should be encouraged to do so. Law enforcement officers shall be allowed to conduct an interview at the school only when the interview is conducted at the request of the school or when they can show that special circumstances exist. This determination should be made by the appropriate building principal or superintendent. Law enforcement officers should be permitted to interview students on school grounds only after providing the superintendent or appropriate building principal with a statement in writing that the law enforcement officer has reason to believe and does believe that the student is the victim of child abuse or neglect perpetrated by the child's parent(s) or some other member of the child's immediate family, and that the law enforcement official wishes to interview the student regarding such abuse or neglect.

Throughout this process, all attempts should be made to avoid embarrassing the student before his or her teachers and peers, and to avoid disrupting the student's and school's education program.

1. Law enforcement officers should be permitted to take custody of a student if they possess an arrest warrant or if they otherwise assert a lawful basis for doing so. Whenever possible, the arrest or release of the student should be conducted in the building principal's office and out of the view of other students. When a principal or other school official releases a minor student to a law enforcement officer for the purpose of removing the minor from the school premises, he or she shall take immediate steps to notify the parent, guardian, or other responsible adult regarding the release of the minor to the officer and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse. If the law enforcement officer indicates that the child is being taken into custody because the child is the victim of suspected child abuse, the principal or other school official shall, as a condition of releasing the student to the law enforcement officer, require the officer to sign the statement appended hereto certifying that the child is being removed from school premises because he or she is believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of NEB. REV. STAT. § 79-294.
2. Law enforcement personnel shall not be allowed to roam about the school until the student is found, and shall remain in the administration office while school personnel seek the student.
3. If possible, the education program of the student should not be disrupted to allow for police questioning of the student during class time.
4. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.
5. If law enforcement officers are to be allowed to question a student under the age of 18, the principal or school official shall make a reasonable attempt to notify the child's parents before questioning begins, except in cases of suspected child abuse or child neglect involving the parent or other family member. The parents should be given the opportunity to come to the school prior to the questioning.
6. If the parents are notified and are able to attend, they should be allowed to be present at the interview. The principal or designee should be present at the interview, but should not take part in any questioning. The principal or designee should remain a neutral observer at all times. (Board Policy 5022)

Immunizations

1. General Rule
 - a. Each student wishing to enroll in the school district is required to be immunized against measles, mumps, rubella, varicella (chicken pox), poliomyelitis, diphtheria, pertussis, hepatitis B, and tetanus prior to enrollment. All other immunizations required by the State of Nebraska, in addition to the above, must be followed.
 - b. The district is not responsible for the cost of such immunizations.
 - c. Any student who does not comply with this policy shall not be permitted to continue attending school.
2. Exceptions
 - a. Provisional Enrollment.

Students who meet the statutory requirements for provisional enrollment shall be allowed to attend school for thirty (30) days without the necessary immunizations.

 - A statement signed by a medical professional stating that the required immunization would be injurious to the health and well-being of the student or any member of the student's household.
 - An affidavit signed by the student or a legally authorized representative of the student, stating that the immunization conflicts with the student's sincerely held religious beliefs.
 - c. Students who are exempt from the immunization requirement may be excluded from school in the event of an outbreak of any contagious disease among the school population. (Board Policy 5010)

Health Practices

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication
 - a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
 - b. Parents/guardians must provide their own written permission for the administration of the medication.
 - c. The medication must be brought to school in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.
 - d. Asthma / Allergy: Parents/guardians must complete the Asthma/Allergy Action Plan (2 forms).
2. Non-prescription medication
 - a. Parents/guardians must provide written permission for the administration of the medication

- b. The medication must be brought to the school in the manufacturer's container.
- c. The container must be labeled with the child's name and with directions for provision or administration of the medication

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician. (Board Policy 5024)

Illnesses & Communicable Diseases Guidelines and Recommendations

School Guidelines:

1. If a child comes to the nurse's office and complains of not feeling well and has a temperature of 100.0 or above, your child will be sent home from school.
2. Chicken Pox - Chicken Pox is a highly contagious disease. If your child comes down with Chicken Pox, he/she will not be allowed to return to school until 7 days from the time they broke out.
3. Head Lice - Students found to have head lice or louse eggs will not be permitted at school and will be sent home. Upon discovering the presence of any indication of lice, louse eggs, or nits, the student's parent(s) or guardian(s) will be notified, and if appropriate will be asked to pick up the student from school immediately. Students will not be permitted to return to school until the district finds that no live lice or eggs can be detected. The parent(s) or guardian(s) will be required to treat the student and accompany the student to school to be examined. The student cannot ride the school bus until the district has cleared the student to return to school. (Board Policy 5062)
4. Students having Nits following treatment will be allowed back in school. A special shampoo is required and may be either prescription or over-the-counter. The child may return to school the day following the shampoo. The special shampoo will need to be repeated in 7 days. The school nurse will then check everyone concerned again. All washable clothes, coats, hats, bed linens, afghans, throw pillows, etc., should be washed in hot water and dried on the highest drier setting. Carpets and upholstered furniture should be vacuumed. Non-washable items should either be dry-cleaned or wrapped in a plastic bag for 10 days.
5. Impetigo - Red lesions, often with scab and discharge. Highly contagious. If noted on your child, you will be asked to remove him/her from school. He/she may return to school as soon as prescribed antibiotic salve is applied to the area. A doctor's prescription is required for Impetigo treatment. If the area does not improve dramatically in 2 to 3 days, your child will need an internal antibiotic medication prescribed by your doctor.
6. Conjunctivitis (Pink Eye) - If noted on your child, we will ask that you remove your child from school. He/she may return as soon as he/she is on medication - a prescription from your doctor.
7. Children with communicable diseases such as head lice, chickenpox, measles, mumps, and rubella will be excluded according to Nebraska State Department of Health and Human Services guidelines.
8. Ring Worm- Fungal infection appearing as scaly oval lesions of the skin. Child is excluded until treatment is started.

Recommendations:

1. If your child has any of these symptoms: above-normal temperature (100° or more), upset stomach, headache, earaches, diarrhea, sore eyes, cough, rash or skin eruptions, and/or pain or swelling, it is best to keep them home until consulting with your physician. Students may return to school when they are fever and symptom-free for 24 hours.
2. Students habitually absent due to illness may be required to provide the school with a doctor's written excuse for each absence.
3. Absences due to illness will count toward the absence limitations.

Eye Exam

The parent(s) or guardian(s) of (1) all incoming students in the beginner grade and (2) all out-of-state transfer students must provide evidence of a vision examination by a qualified vision health care provider. They must provide evidence of the vision examination within sixty days after the student's enrollment. The health care provider must test the student for amblyopia, strabismus and internal and external eye health, with testing sufficient to determine visual acuity. Any parent(s) or guardian(s) who object to a vision examination must submit a signed and dated refusal form to the school. Parents or guardians who wish to receive information regarding free or reduced-cost visual evaluations may contact Kids Connection at (877)-NEB-KIDS or the Nebraska Optometric Association at (800) 766-4466.

At the request of the parent or guardian (or in the case of an unaccompanied youth, the liaison), transportation shall be provided to and from the school of origin as follows:

- a. If the homeless child or youth continues to live in the area served by the school district, the child's or youth's transportation to and from the school of origin shall be provided or arranged by the school district.

Student Insurance

The school district is not an insurer of student safety, and parents are encouraged to secure insurance covering their students' healthcare needs, including catastrophic coverage for injuries which may be sustained while participating in athletics or other extracurricular activities. (Board Policy 5025)

Extracurricular Activities

Code of Conduct

Students are encouraged to participate in Wakefield Community Schools's extra-curricular activities. Participation in activities is a privilege, which carries with it responsibilities to the school, team, student body, and community. Participants are not only representing themselves, but also their school and community.

Activities subject to the Code of Conduct

Extracurricular activities shall include, but are not limited to: all athletics, Speech, FCCLA, FBLA, FFA, STUCO, Play Production, and National Honor Society. Activities under these guidelines shall also include Homecoming (including coronation and dance), Prom (including the grand march and dance), Post Prom, the Athletic Banquet, and the band/music trip. Music students will be under the Code of Conduct guidelines for solo or small group performances, but shall be allowed to participate in large group performances since these are part of their academic grade for those classes. Students participating in activities are representing our school and subject to additional voluntary guidelines in order to be involved in the activity. General student discipline guidelines still apply.

Extracurricular Drug Testing Program

The school district supports and values student participation in extracurricular activities, but such participation in school district extracurricular activities is a privilege and not a right. Students in all extracurricular activities in grades 7-12 shall be subject to mandatory and random testing for the presence of alcohol or illegal drugs. Consequences will include suspension from activities for a specified number of school days. The suspension will include weekends and holiday breaks that occur during the specified span of school days. School days shall be considered to be days school is in session during the normal school year, as per the approved school-year calendar. In the case in which the school year comes to an end before the activity suspension has expired, the consequence will carry over to the following school year.

1. Purpose of Random Drug Testing

- a. The school district has recognized that observed and suspected drug and alcohol use and abuse has increased among the student population, including students participating in extracurricular activities.
- b. The school district seeks to provide safe, drug-free schools.
- c. The school district seeks to deter the use of illegal and prohibited drugs and alcohol among students.
- d. The school district recognizes that students who use illegal and prohibited drugs pose a threat to the health and safety of themselves, other students, teachers, administrators, and other persons.
- e. The school district finds that the drug and alcohol problem among the student body will be effectively addressed by making sure that the large number of students participating in extracurricular activities do not use drugs and alcohol.

2. **Notice.** Each student who participates or seeks to participate in extracurricular activities shall be given a copy of this policy. This policy may also be included in the student handbook.

3. **Drug Testing Coordinator.** The Drug Testing Coordinator shall be the Superintendent or his or her designee unless otherwise indicated.

c. **Selection Pool Eligibility.** Students shall remain in the selection pool for an entire school year from the date the consent form is received by the school district except that students who quit during the season or activity (prior to being selected for testing) or students who are cut from an activity will be removed from the testing pool. Students in grades 7 and 8 will be in their own selection pool, and students in grades 9-12 will be in a separate selection pool.

d. **Withdrawal.** Students who have a consent form on file remain eligible for drug tests from the date the consent form is received by the school district and throughout the remainder of the school year or until the student files a Withdrawal of Student from Activity form signed by the student and his or her parent(s)/guardian(s). Upon withdrawal, the student shall not be eligible to participate in any activity that is subject to drug testing for 90 school days. A student who files a Withdrawal of Student from Activity form after selected for a random drug test but before submitting to the test or after testing positive shall be ineligible to participate in any extracurricular activities for 90 school days from the date the Withdrawal of Student from Activity form is received by the Drug Testing Coordinator.

7. **Drugs.** Students participating in extracurricular activities are prohibited from using, possessing, distributing, manufacturing, or having drugs present in their system. ~~Drugs+~~ Drugs+ means:

a. Any substance considered illegal by the Uniform Controlled Substances Act, Neb. Rev. Stat. § 28-401 *et seq.*

8. Testing Procedures

- a. **Student Selection.** All students who participate in extracurricular activities and submit a consent form will be included in a master list and will be subject to random drug screening. The master list may be submitted to the Drug Program Administrator (DPA).
- b. **Reasonable Suspicion Testing.** In addition to random drug testing, a student is subject to drug testing at any time when the Drug Testing Coordinator determines there is individualized reasonable suspicion based upon articulable facts to believe that the student has used a drug. The Drug Testing Coordinator will notify the student and take the necessary steps to schedule a test as soon as practicable.
- c. **Parental Request.** Students who do not participate in extracurricular activities may be added to the random drug screening master list upon parental request. Parent(s)/guardians may also request that their student be subject to non-random drug screening. The school will arrange for the test as soon as practicable. The parent(s)/guardian(s) making a request under this subparagraph must submit a signed consent form and indicate which type of test is being requested. Any cost associated with tests administered as a result of parental request must be paid by the parent(s)/guardian(s) in advance of the test.
- d. **Type of Test.** The school district reserves the right to utilize breath, saliva, hair or urinalysis testing procedures. Urine and oral fluid samples which screen positive will be confirmed by GC/MS. Positive saliva or breath alcohol tests will be confirmed by EBT (Evidential Breath Tester).
- e. **Collection Site.** The Drug Testing Coordinator will designate the collection site at which student will provide specimens. The collection site may be off the premises of the school district.
- f. **Collection Procedures.** The school board will select a Drug Program Administrator (DPA). The DPA or school administration shall randomly select the students subject to drug testing from the master list. The DPA will maintain and follow generally accepted industry standards for collecting, maintaining, shipping, and accessing all specimens. The DPA will seek to obtain the sample in a manner designed to insure accurate testing protocols while minimizing intrusion into a student's privacy. The DPA and the school district will provide a copy of the collection procedures upon request.
- g. **Drugs.** Students may be randomly tested for any drugs, including but not limited to alcohol, amphetamines, barbiturates, benzodiazepines, cocaine, methamphetamines, marijuana, opiates, phencyclidine.
- h. **Results.** The DPA shall notify the student and the Drug Testing Coordinator of any positive test after the initial screening. The Drug Testing Coordinator shall notify the student's parents. The DPA will use a secure method to transmit all positive test results to the DPA's Medical Review Officer (MRO). The MRO will be certified by an MRO accreditation body. The MRO will be responsible for reviewing test results and determining whether the use of a substance identified by the sample analysis is from illicit use or a legitimate medical use. Prior to making a final decision, the MRO or his or her assistant shall contact the student and his or parent(s)/guardian(s) to discuss the result either face-to-face or over

the telephone. If the MRO determines the test results are negative, no further action shall be taken against the student. The MRO will report results of verified positives to the DPA. The DPA shall then notify the Drug Testing Coordinator of the positive test result. The Drug Testing Coordinator shall notify the student and his or her parent(s)/guardian(s) and any staff members responsible for implementing the consequences of this policy.

- i. **Request for a Retest.** A positive test will be saved by the MRO, with the exception of alcohol testing. A positive alcohol test will be confirmed with an EBT device. A student's parent(s)/guardian(s) may request that the specimen be tested at a second nationally certified laboratory from a list provided by the MRO. The request for the test must be submitted in writing to the MRO (with a copy sent to the Drug Testing Coordinator) within 72 hours of being notified of the final testing result. The student and his or her parent(s)/guardian(s) must pay the associated costs for an additional test in advance. The costs will be reimbursed if the result of the split sample test is negative. The student will remain subject to the consequences of this policy during the retesting procedure.

9. **Negative Tests.** Students and their parents will receive verbal or written notice when the student's test result is negative.

10. **Consequences for Testing Positive.** Whenever the test results indicate the presence of drugs, Drug Testing Coordinator shall schedule and hold a confidential meeting with the student, parent/guardian, and sponsor/coach. Other members of the school's administration may also attend the meeting. At the meeting, the Drug Testing Coordinator shall explain the drug testing procedures and the policy of the district. The consequences shall be as follows. At the end of each consequence period, the student must submit another test and the test must be negative before becoming eligible again. All offenses are cumulative in grades 7-8. Offenses that occur in grades 7-8 shall not count as offenses in grades 9-12. All offenses are cumulative in grades 9-12:

- a. **First Offense**
