**Parental Involvement In the Title I Program**

The school district recognizes the unique needs of students who are being served in its Title I program, and the importance of parental involvement in the Title I program. Parental Involvement in the Title I Program shall include:

1. An annual meeting to which all parents of participating children will be invited. Invitations may take the form of notes sent with students or announcements in the school newsletter. Additional meetings may be scheduled, based upon need and interest for such meetings.
2. Notification to the parent(s) or guardian of a student's eligibility to participate in the Title I program and assessment information under which the student has qualified.
3. An explanation of the details for the child's participation: curriculum objectives, type and extent of participation, and evaluations of progress. This information may be included in the annual Title I Individual Education Plan (IEP) for the student.
4. Opportunities for parent training on ways to support children's learning. This opportunity may include, but is not limited to, attendance at the annual Nebraska State Title I Parent Involvement Conference.
5. Communication to parents about student progress to be provided in the language used in the home. Responses to parent concerns will be provided in a timely manner.
6. Opportunities for parent-teacher conferences, in addition to those regularly scheduled by the school district, if requested by the parents or as deemed necessary by school district staff.

This policy shall be reviewed annually and either altered and adopted as altered or reaffirmed by the board following a public hearing.
