

From the Superintendent

On Sunday, January 16th, the Wakefield Board of Education held a Town Hall Meeting at ESU#1 in Wakefield. The purpose of this meeting was to introduce the one to five year plan created by the Building and Grounds Committee and produce a dialogue with the patrons of the district.

The agenda of this meeting included the following:

1. Discussion of the current Board of Education Goals
2. Discussion of ongoing projects such as the continued upgrading of our bathrooms to a hands free environment, replacing of carpet in classrooms, continued replacement of vans and buses.
3. Discussion of big ticket items such as phase II of the track, upgrading the kitchen, adding security locks to the doors, construction of a new bus barn, one-to-one computers, and any other possible items.
4. Question and answer

Comments and presentation noted from this meeting are available online on the school website by clicking on the Board of Education tab and choosing the Town Hall Meeting article.

Your school board is made up of six members with three holding offices. The officers of the school board are: Mark Victor, President; Tim Bebee, Vice President; and Liza Lunz, Secretary. Additionally, Julie Rose, Lori Nicholson, and Jim Lehmkuhl are the remaining members. For more information on what committees each member is on as well as school statistical data, I encourage you to go to the Wakefield Community School website at <http://www.wakefieldschools.org> and click on the on the Board of Education tab.
