 Matt Conley  
 Shannon Dorcsey  
 Rod Gilliland

**Membership Fees**  
**\$15-Single or Family**  
**\$25-Business**

## History:

The Wakefield Athletic Booster Club was started in 1997 by two parents interested in assisting school athletics with financial concerns.

In the last 12 years the Athletic Booster Club has spent over \$29,000 on the athletic program and student athletes. The club raises money to help provide additional equipment and assistance to high school sports not covered in the school budget.

Major sources of income are from annual memberships, 50/50 tickets, raffle items at the Athletic Banquet and Youth Basketball Tournament.

The boosters have reinstated the Athletic Banquet; we pay for all athletes, Jr High thru High School and coaches and spouses meals if a current booster member. The Booster's host a tailgate membership party in August to kickoff the school year for all sports.

## Become a Member:

The Wakefield Athletic Booster Club needs your support for the athletes of Wakefield. You can help the athletic program by becoming a member. Membership is open to all who are interested in supporting all Wakefield athletics and students whom participate. By becoming a member you help support the Wakefield athletes and receive your ticket to the Athletic Banquet in May at a lower cost. To start your Booster Club membership, fill out the attached application along with your contribution.

## 2008-09 Purchases and Assistances:

Football/track scoreboard at the park, new track equipment, wrestling mat, screening for high school t-shirts, portion of Jr. High track t-shirts, stat software program for all sports, locker treats for Jr. High and High School athletes, name tags and window cling for Parents Night for all sports, renewed Huskerland magazine, fun run foot for elementary health run and hosted Athletic Banquet

**Thank you for supporting the sports program at Wakefield Community School, the Athletic Department and Student Athletes! Thank you for being a Trojan Booster member!**
