### History:

The Wakefield Athletic Booster Club was started in 1997 by two parents interested in assisting school athletics with financial concerns. In the last 14 years the Athletic Booster Club has contributed close to \$40,000 on the athletic programs. The purpose of the club is to raise money to help provide additional equipment and assistance to high school sports not covered in the school budget. The major sources of income are from annual memberships, 50/50 tickets, Youth Basketball and Wrestling Tournaments. The boosters reinstated the Athletic Banquet; we pay for all athletes, Jr. High thru High School and coaches and spouses meals if a current booster member.

### 2010-11 Purchases and Assistances:

Last year booster's spent approximately \$8,500 to help with youth programs last year. Some include: membership Tailgate Kickoff in August, locker treats throughout the year for Jr. High and High School athletes, provide name tags for Parents Night for all sports, HUDL software program for game films, neck machine, renewed Huskerland magazine, track tent frame, hurdles, girls basketball & volleyball t-shirts, Jr. High track t-shirts and hosted Athletic Banquet in May.

**MEMBERSHIP FEE - \$15 FOR SINGLE OR FAMILY and \$25 FOR A BUSINESS**
